Preferred operator announced for Fishos kiosk

The owners of Bomboras Cafe Bar and Pizzeria in Torquay have been selected by the Great Ocean Road Coast Committee (GORCC) as the preferred operator for the new kiosk at Fishermans Beach subject to Ministerial approval.

GORCC Chief Executive Officer Richard Davies said business partners Josh Friend from Geelong and Tom McGrath from Anglesea were selected by the Committee as the preferred operators of the kiosk following a competitive tender process and would bring a wealth of experience to the business.

“Bomboras has enjoyed 5 years of success in Torquay, standing the new operators of the kiosk in good stead,” he said.

Mr. McGrath said the kiosk would offer the quality food of Bomboras, which features broad, modern Australian a la carte menu and gourmet pizzas, but on a smaller scale and with a relaxed beach vibe.

“This is an exciting opportunity for us to serve simple, fresh food right on the beach which can either be taken away or enjoyed on the outdoor terrace area.

Our menu will range from breakfast bagels to salads, focaccias and hot food during the day, to all time beach favourites like ice cream and fish and chips,” he said.

Mr. McGRath said that good quality coffee would be a major focus for the kiosk.

“Our customers tell us that Bomboras serves the best pizzas in Torquay and now we will be vying for the title of best coffee in Torquay at the Fishermans Beach kiosk.

Mr. Davies said the was kiosk currently under construction as part of the Fishermans Beach Redevelopment , but was be expected to open over Summer.

“The kiosk will be fitted out during this construction period in order to ensure that the kiosk will be open for business on immediate completion of the redevelopment, “he said.

It is anticipated that the kiosk will be open during all school holidays and most weekends – operating through all busy peak periods and opening early enough to serve breakfast and coffee to those on their morning walk.
