PROGRAM GUIDELINES

Please read carefully before continuing.

- ❖ Groups/schools must provide proof of public liability insurance and are responsible for compliance with any other statutory or regulatory requirements pertaining to the participants under their control (e.g. supervision ratios, and working with children checks)
- ❖ Activities are only available for groups of 10 participants or more.
- ❖ Opportunities to participate in the program throughout the year are limited. The activities run on a 'first in best dressed basis' and may not be available on your group's preferred date.
- ❖ The Great Ocean Road Coast Committee must be contacted at *least* 2-4 weeks prior to the proposed activity. Some activities may not be available at a particular time or may need more notice, planting activities in particular need at least 4 weeks' notice, so register as early as possible.
- ❖ Activities are flexible and can be combined, extended or reduced where required, and can be tailored to your group's age and requirements, however the Great Ocean Road Coast Committee's resources are limited and the organisation reserves the right to refuse a request.
- ❖ Schools/groups are responsible for providing their own transport to the activity.
- ❖ Schools/groups are responsible for ensuring students have lunch and/or snacks with them as appropriate.
- ❖ Any potential allergies or other issues which may be of importance must be raised discussed where appropriate with the Great Ocean Road Coast Committee Activity Leader prior to the activity occurring.
- ❖ In case of inclement weather, the school will be notified in advance and an alternative date sought.
- ❖ All participants must wear appropriate, closed footwear and bring wet weather gear if rain is forecast.
- ❖ All participants are required to adhere to 'Sunsmart' practices.
- ❖ All students must bring adequate drinking water.
- ❖ All students participating in a theory or lesson topic are advised to bring paper and pens to write notes and participate in worksheet activities.
- ❖ Sites chosen for each activity will differ depending on the activity and the age of participants.
- ❖ An appropriate number of school teachers or adult helpers must accompany the group as per statutory requirements for the age or nature of participants in that group.
- ❖ While all Activity Leaders are competent, skilled and qualified, and will take every possible step to ensure the enjoyment, safety and wellbeing of students, schools and groups have the ultimate responsibility of taking care of the participants as necessary.
- ❖ The Great Ocean Road Coast Committee reserves the right to cancel an activity at any time prior or during the activity as needed.

By completing and signing the registration form below you are agreeing to comply with all the above requirements.

REGISTRATION FORM

*(please fill out one form for each separate group)
(to be submitted at least 4 weeks prior to activity)*

INFORMATION ABOUT YOU AND YOUR SCHOOL OR GROUP:

School: _____

Contact Name: _____

Address: _____

Suburb: _____ **P/C:** _____

Phone: _____

Email: _____

Group year level/age range: _____ **Approx. no. of students/participants:** _____

ACTIVITIES AND TOPICS YOU ARE INTERESTED IN (CAN BE COMBINED)

Activities

- | | | |
|------------------------------------|------------------------------------|--|
| <input type="radio"/> Weeding | <input type="radio"/> Coastal Walk | <input type="radio"/> Rock pool Investigations |
| <input type="radio"/> Revegetation | <input type="radio"/> Dune Ecology | |
