Time is running out for people with a passion for the coast and its future to nominate for voluntary committee member positions with the new Great Ocean Road Coast Committee (GORCC).

With nominations closing on Monday 15 February 2010, GORCC is encouraging individuals with an interest, passion and commitment to caring for, protecting and managing Crown land foreshore reserves along the Great Ocean Road between Torquay and Lorne to consider applying.

Committee members act in a voluntary capacity and meet regularly to oversee and contribute to the organisation's work.

Nominations are being sought to serve on the new committee for a three-year term from July 2010.

The Department of Sustainability and Environment (DSE) is managing the nomination process. Application packages can be obtained from the department's Geelong office (Ph: 5226 4010). More information is also available from GORCC's website (www.gorcc.com.au).
