## **Love our coast: community consultation this summer**

The Great Ocean Road Coast Committee (GORCC) will be out on the foreshore for a summer of input into Victoria's much-loved coastline.

The team will be consulting on Issues and Opportunities for its Coastal Marine Management Plan, which helps shape management of the coast from Point Impossible through to Cumberland River.

GORCC will also be consulting on:

- Lorne Foreshore Master Plan
- Erskine Paddock Landscape Plan
- Point Impossible to Jan Juc Master Plan
- Taylor Park Master Plan
- Anglesea Family Caravan Park Master Plan.

To view consultation details and all areas for input visit GORCC's website at [www.gorcc.com.au](http://www.gorcc.com.au).

Great Ocean Road Coast Committee Chair Ken Northwood said community input and knowledge were critical to the future management of the coast.

"We're progressing a number of plans this summer while everyone is out enjoying the coast to maximise opportunities for input."

Mr Northwood said the plans will help to direct future investment into the coast.
