

## MEDIA RELEASE

**FOR IMMEDIATE RELEASE**

**12 April 2019**

### **Consultation now open for Anglesea Family Caravan Park and Taylor Park Draft Master Plans**

The Great Ocean Road Coast Committee (GORCC) will be consulting on the Anglesea Family Caravan Park and Taylor Park Draft Master Plans up until 10 May 2019.

The draft master plans have been informed by feedback from community and stakeholder consultation conducted over summer 2018/19 and in response to increased visitation pressure to the Great Ocean Road.

Feedback was strong during the initial consultation on both projects, with key themes including the need for the character and natural environment of both parks be protected and enhanced, and requests for upgraded facilities.

Priorities identified from consultation on Anglesea Family Caravan Park included increased pet-friendly sites, an upgraded pool area, the introduction of camp fires, and more entertainment activities on offer in the park.

The key themes highlighted from the Taylor Park consultation included planting more native vegetation, cultural and heritage educational signage, protection from development, upgraded paths, and a grassed area.

In response, the 10-year staged master plan for Anglesea Family Caravan Park focuses on enhancing the camper experience, improving the environment and acknowledging the cultural heritage of the park, updating existing amenities, and developing new facilities.

The focus of the Taylor Park Draft Master Plan is on protecting and enhancing the environmental, biodiversity and heritage values of the park and upgrading facilities in the park.

GORCC value community input and recognise that local knowledge is critical to the future management of both parks. Feedback received on each draft plan will be considered in the development of the final master plans.

Consultation dates, times and locations are as follows:

**Anglesea Family Caravan Park:**

- Saturday 20 April, 2–4pm, Anglesea Family Caravan Park
- Friday 3 May, 12–2pm, Anglesea Family Caravan Park

**Taylor Park:**

- Wednesday 24 April, 10am–12noon, Torquay foreshore
- Saturday 4 May, 10am–12noon, Taylor Park
