

## WEDDING / PRIVATE FUNCTION APPLICATION FORM

The Great Ocean Road Coast Committee (GORCC) is a State Government body responsible for protecting, enhancing, and developing coastal Crown land from Point Impossible to Cumberland River. All funds raised through the organisation's commercial endeavours are reinvested back into the coast.

GORCC's management area includes 37 kilometres of foreshore Crown land from Point Impossible at Torquay to the Cumberland River at Lorne, excluding the Bells Beach Surfing Reserve.

Each year, GORCC receives numerous requests for weddings and other celebrations to take place on the foreshore reserve. In line with the Coastal Management Strategy, GORCC has a responsibility to manage the foreshore in ways which are ecologically sustainable, thereby ensuring the preservation of our coastal and marine environments for current and future use. This includes monitoring activities such as weddings on the reserve.

You can find out more about the organisation at our website: [www.gorcc.com.au](http://www.gorcc.com.au)
