

COMMERCIAL EVENT TARIFFS

The Great Ocean Road Coast Committee (GORCC) defines commercial events as any for profit event that charges admission or competitor entry fees.

GORCC event fees are based on a combination of size, site impact and duration. Event classifications are based on the number of attendees and competitors, being major (1000+), medium (500 -1,000) or small (0-500).

	Low Impact	Medium Impact	High Impact
Major Events 1,000+			
Half Day (0-5hrs)	\$1,000	\$3,000	\$5,000
Full Day (5hrs+)	\$2,000	\$6,000	\$10,000
Plus a site bond of 25% of the event fee			
Medium Event 500 – 1,000			
Half Day (0-5hrs)	\$500	\$1,500	\$2,500
Full Day (5hrs+)	\$1,000	\$3,000	\$5,000
Small Event 0 – 500			
Half Day (0-5hrs)	\$250	\$750	\$1,250
Full Day (5hrs+)	\$500	\$1,500	\$2,500

Events will also be categorised according to the expected impacts upon the foreshore reserves.

Impact variables include, but are not limited to:

- Event footprint
- Environmental effects
- Additional cleaning requirements to amenities
- Power and water requirements
- GORCC staff labour required to assist the event holder at set up, pack down or throughout the event
- Traffic impacts, including traffic flow, access to car parks and pedestrian flow.

All major events are required to pay a bond of 25% of the overall event fee prior to the event. The bond will be returned after a final site inspection, less any costs associated with remedial works necessary to return the site to its pre-event condition.
